Dear Parents,

This year Marist Sisters’ College will be hosting the Australian Marist Netball Carnival. Our College is extremely excited about welcoming over 250 netballers from all over Australia to our special part of the world for the four-day carnival. The event provides a wonderful opportunity for students, staff and parents from Marist schools to come together with a great sense of Marist spirit and compete in the game we all love.

An important part of this carnival is the billeting of players to families in our community and we are currently looking for expressions of interest. Please be aware that your daughter does not need to be involved in sport at the College to enjoy the benefits of this experience. Billeting families will be asked to accommodate two girls for the three nights of the carnival and provide them with breakfast and dinner, as well as assistance in transport. Over the years billeting has been a most rewarding aspect of the carnival with families opening up their homes to future sporting stars and creating time to make new friends, laugh and share different cultural and social experiences.

If you are interested in assisting the school with billeting please fill out the form attached and return it to the College.

Any queries about billeting can be directed to mostyn@mscw.catholic.edu.au

Many thanks,
