COLLEGE FOUNDERESS DAY

Dear Parents and Girls,

On Thursday 30th June 2011 the College will celebrate Founderess Day. This is a most important day on our College Calendar as it marks the Feast Day of Jeanne-Marie Chavoin the Founderess of the Marist Sisters. Previously known as Marist Day, it is always both an enjoyable and memorable day for everyone. There will be a College Liturgy, a non-competitive Inter-House Eisteddfod, House activities and afternoon Entertainment.

Each girl is to pay $5 towards the cost of activities, some treats and donation to the Marist Missions. Girls are to pay for Founderess Day by Wednesday 22nd June, by placing the money in a clearly marked envelope to the Student Office. The envelope is to state on the outside:

“Founderess Day”, with girl’s name, House and Tutor Group number on the front.

Families may have all payments in one envelope but all girls’ names and Tutor Groups must be listed on the front. Please print this page and enclose the slip at the bottom.

All parents and girls are reminded that this is a regular school day of attendance and participation helps to foster our College and House Spirit. Our House Team Senior Office Bearers are looking for talented girls as House representatives. Singers, dancers, musicians, speakers presenting poetry, monologue or duologue or other quality entertainment. Parents, encourage your girls to consider participating in this event and showcasing their talents. We know MSCW is full of stars!

Charity Fundraising and Social Justice

In helping others our College community is Making a Difference and the girls’ own lives are enriched. A significant element of our Founderess Day is the fundraising for the Marist Missions. Our Marist Missions donations help the communities of Fiji, the Philippines, Papua New Guinea and other places of need.

Finally, in summary remember
• $5 payment by 22nd June
• compulsory Founderess Day attendance and participation
• encouragement for Eisteddfod and Entertainment participants

Thank you from the House Coordinators and Mrs Trimble, Principal
